A caucus of Georgia Democrats before the convention decided on having a silver platform.

Cyclones have worked devastation again in Texas and Wisconsin. Details not received.

On account of a strike all that is being done in the Leadville mines is to keep them pumped dry.

The Navy Department has accepted the battleship Oregon from the Union Iron Works of San Francisco.

The platform adopted by the New York Democrats in conven-tion at Saratoga declares against the independent free coinage of silver, but much stress is laid on the advantages of the bimetallic system under an international agreement.

A railway collision at Davis Junction, Illinois, was followed by the burning of 35 cars piled in a heap. Thomas F. Moran, fire-man, was instantly killed; Fred Blair, brakeman, fatally hurt, and Engineer Daley injured. Two tramps are supposed to be in the debris.

The Topeka Advocate, which is Senator Peffer's paper, and which represents his personal views, prints a double-headed article headed "The Situation Is Perilous." CONSTANTINOPLE, June 24.—Disturbances of a serious charac-ter occurred at Van on Monday. Many Armenians were killed and many sought refuge at the British Consulate. It is estimated that 400 persons were killed on both sides in the rioting of last week and Monday. The massacre is ascribed to agents of the Porte, who were paid to provoke a demon-stration on the part of the

The Success of Hood's Causes Great Rejoicing—A Perfect Cure.

Miss Cora E. Ebert
Barnesville, Pa.

"C. I. Hood & Co., Lowell, Mass.: "I feel it a duty to state what Hood's Sarsaparilla has done for me. I was almost blind, being compelled to stay in a darkened room on account of inflammation of the eyes. I also suffered with running sores on my body. I was in terrible condition. My mother tried every thing she knew about and I was attended by two doctors but without helping me. Finally Hood's Sarsaparilla was recommended and had not taken two bottles before I began to get better. The inflammation left my eyes and the sores healed, and the result was that
